

Certificate

*It is hereby certified that
La Commission Wallonne d'Etude et de la Protection
des Sites Souterrains – CWEPSS, Belgium*

*has been awarded the
EuroSpeleo Protection Label 2014*

for promoting cave protection in Europe through their project:

Atlas Wallon du Karst – Bassin de la Basse Lesse

Date: 23.08.2014

ECPC President:

The EuroSpeleo Protection Label is a European Speleological award managed by the European Cave Protection Commission, financed by the European Federation of Speleology budget. The EuroSpeleo Protection Label helps to promote amongst the speleological clubs of Europe, Cave Protection activities that are designed in an integrated ecological way, taking into account the European Union environmental directives, the principles of administration of the Natura 2000 sites and the International Union for Conservation of Nature Guidelines on caves and karst protection.
